Invitation

You are warmly invited to attend the 19th Symposium on Application of Plasma Processes (SAPP XIX) & Workshop on Ion Mobility Spectrometry, which will be held in Hotel Boboty, Vrátna dolina, Slovakia

General Information

The SAPP is a biennial international conference. The last was held in Vrátna dolina in 2011. The topics range from the basic physics and chemistry of thermal and low pressure plasmas to industrial processes and processing techniques. The symposium provides the opportunity to discuss recent developments and to exchange the information and ideas between researchers and industrial practitioners.

Conference Fee

Type of room	Price*
Single bed room	€ 550 (640)
Double bed room	€ 450 (540)
Accompany person	€ 350 (440)
Triple bed room	€ 390 (480)

* () price after November 16th, 2012

The fee is **ALL INCLUSIVE**; it includes board and lodging, book of abstracts, welcome party, conference dinner and the service during the symposium.

Topics

1. Electrical discharges and other plasma sources
2. Elementary processes and plasma chemical reactions
3. Plasma-surface interactions
4. Plasma treatment of polymer and biological material
5. Nanometer-scaled plasma technology
6. Ion mobility spectrometry

Symposium Programme

Invited lectures, short lectures and posters will be presented in two main sessions every day:

8:30-10:30
MORNING SESSION

10:30-16:30
INFORMAL DISCUSSION & LEISURE (skiing, hiking,...)

16:30-21:30
AFTERNOON SESSION

Social Programme

A number of social events will be organized for conference participants and their guests. The leisure programme will include skiing every day. Apart from that there will be a variety of other possibilities such as excursions, sightseeing tours, hiking, etc.

Language

The symposium language will be English.

Location

Hotel Boboty in Vrátna dolina is located in Malá Fatra mountains. The distance from the Slovak capital, Bratislava is 220 km (290 km from Vienna airport). The closest town with international bus and train connections is Žilina, approximately 25 km from Vrátna dolina.
